

ES AAPG 2017 meeting attendees are invited to start the first evening off in style at our one of a kind ice breaker.

A short walk from the hotel, Oliverio's Tuscan inspired eatery, with its big city feel and small town charm will host a full sit down Italian dinner.

Live music will serve as a back drop allowing each member the opportunity to network with colleagues and reconnect with old friends.

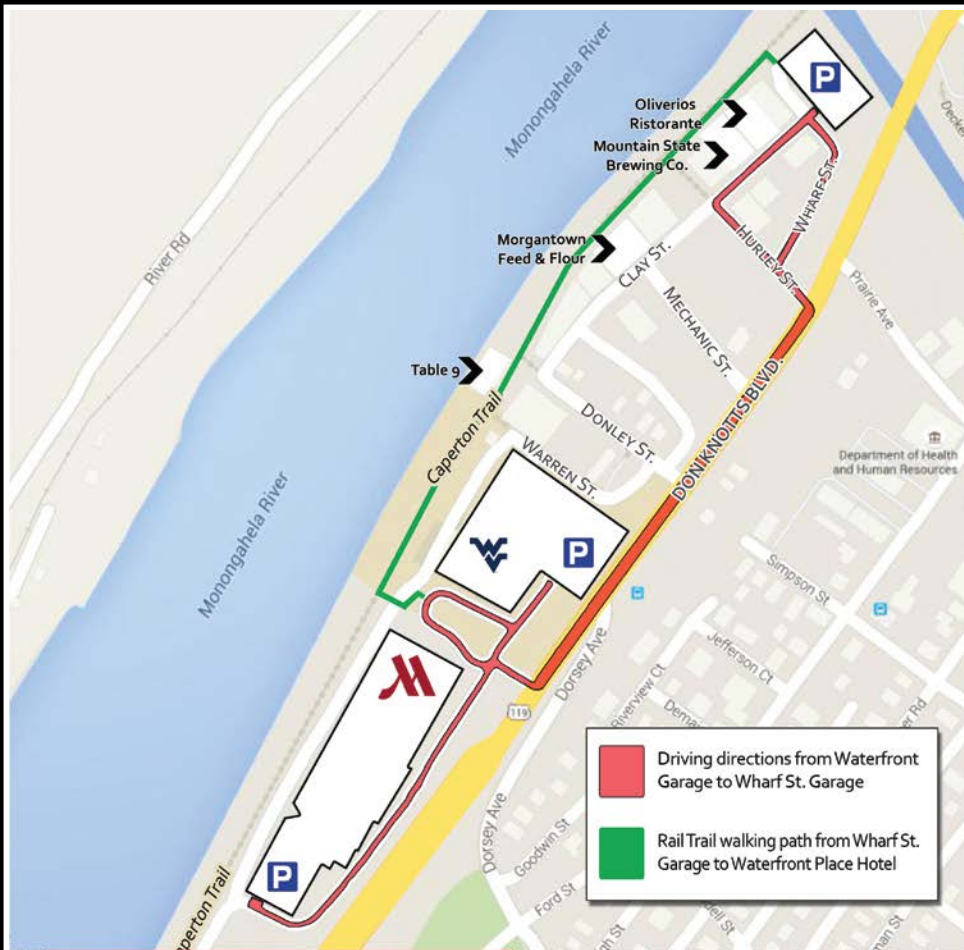

Oliverio's offers inside dining or you can escape to their year round deck for one of the most beautiful views of the Monongahela River.

Later stick around and listen to the Jammin' Geologists as you enjoy complementary beverages, desserts as well as a full cash bar.

The night is sure to be warm, inviting and fun!

6 pm to ?

# The path to Oliverio's

Exit the Waterfront Hotel doors adjacent the check in desk and take the steps to your left down to the scenic Caperton Trail

The entire walk is less than a third of a mile and the scenery makes the short distance seem even smaller.
