| <b>Description of Buildings or Site (Original and Present)</b> <div style="float: right;">2 Stories      3 Front Bays</div> <p>The structure is a, two-story, open-end gabled, "L" house. The siding is clapboard but an interview with owner . "original section was a log cabin built in 1796 and four years later "L leg was added". The present two-story structure has interior and end exterior stone chimneys. There is a 1.5 story one-room addition (wing) to the rear with a "block" exterior chimney. The front (road facing) wing has two entrances (part of structure used as rental property) is covered by a 3/4 porch with hipped seam tin roof. The roof is supported by (5) square wooden post. The windows are modern 6 over 6 wooden sash with an outer storm window covering.</p> |                                                            |

# WEST VIRGINIA HISTORIC PROPERTY FORM

## CONTINUATION SHEET

Name: Fry house  
Survey Number: HPI #1  
Project / FR#: Frenchburg-Audusta ad State Proj. No. S314-50-15.73

This structure has no important link to events or trends that made a significant contribution to the broad pattern of our history. The structure does not meet National Register Criterion A of association with events at the national, regional, or local level.

The structure is not known to have been associated with or to have been associated for any length of time with a notable person, or to be the best representation of such person's historic contribution (NRHP Criterion B)

This is not a commonplace residential type in the region, and embodies the distinctive characteristics of an architectural period. NRHP Criterion C is met by this structure

The structure is constructed by uncommonly know techniques, tools, and materials and is likely to contribute additional information to our understanding of human history or prehistory. NRHP Criterion D is met
