Description of Buildings or Site (Original and Present)

_____ 1 _____ Stories _____ 3 _____ Front Bays

This very large, modern "big-box" chain drug store is primarily constructed of concrete block. The entrance is located in a slightly projecting 2-story tower that is capped with a pyramidal roof. For security reasons, fenestration is limited to the area immediately surrounding the front entrance. The building and its associated parking lot occupy most of this side of the block. Its size, setback, and modern materials are all inconsistent to downtown Romney.

This very large, modern, 1-story, flat-roofed "big-box" chain drug store is primarily constructed of concrete block. The entrance is located in a slightly projecting 2-story tower that is capped with a pyramidal roof. For security reasons, fenestration is limited to the area immediately surrounding the front entrance. The building and its associated parking lot occupy most of this side of the block. Its size, setback and modern materials are all inconsistent with qualities for which downtown Romney is historically significant.
