Description of Buildings or Site (Original and Present)

_____ 1 _____ Stories _____ 3 _____ Front Bays

This automotive repair shop is set back from Main Street and surrounded on two sides by paved parking area. The front wall is executed in running bond brick, while the side and rear walls are constructed with concrete blocks. The main roof is flat, but terminates in a steeply pitched shed overhang on the front. The building is divided into two sections. The left (east) side is used as office space. It is distinguished by its pedestrian entrance and double window. The right portion contains two automotive bays that are accessed via overhead, metal-and-glass doors.
