____ 2 ____ Stories ____ 2 ____ Front Bays

This modern, concrete block and frame building features walls sheathed in vinyl siding and wooden paneling. It has a low-pitched, gable roof oriented toward Main Street. Windows are 1/1 and arranged in pairs on the lower level and individually on the upper story. The first floor is occupied by a Christmas-themed retail store, while the upper level is used as private residential housing. Its setback, design, and modern materials are inconsistent with downtown Romney.

Set back from Main Street approximately 60' and surrounded on two sides by a paved parking lot, this modern, 2-story, concrete-block and frame building features walls sheathed in vinyl siding and wooden paneling. It has a low-pitched, gable roof oriented toward Main Street. Windows are 1/1 and arranged in pairs on the lower level and individually in the upper story. The first floor is occupied by a Christmas-themed retail store, while the upper level is used as private residential housing. Its setback, design and modern materials are inconsistent with the qualities for which downtown Romney is historically significant.
