NATIONAL REGISTER EVALUATION INFORMATION

National Register Determination	Not Eligible	Reason Not Evaluated
--	--------------	-----------------------------

National Register Determination Date	2013
---	------

This bridge is not eligible for the National Register under Criterion A as it does not have a significant association with an important historic transportation system, program, event, trend, or policy identified through contextual research and survey activities.

This bridge is not eligible for the National Register under Criterion C as it does not illustrate the evolution or transition of a bridge type or an important variation in design, fabrication, or construction of a bridge type. Additionally, it is not a distinguishable representation of a master's work and does not possess high artistic value as identified through contextual research.
