Description of Buildings or Site (Original and Present)	2 Stories 3 Front Bays
2-story vernacular I-house of wood construction, L-shaped in plan, with the façade incorporating a 3-bay arrangement on the first story and two bays above, a design characteristic found throughout this part of Hampshire county. Extending across the façade is a hipped-roof porch of wood, supported by replacement posts. Fenestration is flat-topped, 1/1, with modestly molded windowheads. A decorative wheel window is in the pediment of the gable on the side elevation.

Statement of Significance:	
This house is architecturally undistinguished, has been altered, and does not appear to meet National Register Criteria for Evaluation; further, this village possesses no potential for historic district designation because of the widespread modifications to virtually every property.
