Statement of Significance It is the opinion of the surveyor that this ca. 1900 building lacks sufficient architectural and historical significance and is not eligible for inclusion in the National Register. It does not possess characteristics of demonstrable significance with respect to design, construction or use of materials (Criterion C) and replacement door. As such, its architectural integrity has been compromised. It does not appear to be associated with significant broad patterns, events or persons (Criteria A and B). It has not yielded, nor is it likely to yield, information important to history or prehistory (Criterion D). <i>(Use Continuation Sheets)</i>
