WEST VIRGINIA HISTORIC PROPERTY FORM CONTINUATION SHEET

Name: unknown
Survey Number: HPI #4
Project / FR#: Junction Bridge State No. S314-50-1.58 Fed No. BR 0050(145)E

This structure has no important link to events or trends that made a significant contribution to the broad pattern of our history. The structure does not meet National Register Criterion A of association with events at the national, regional, or local level.

The structure is not known to have been associated with or to have been associated for any length of time with a notable person, or to be the best representation of such person's historic contribution (NRHP Criterion B)

This is a commonplace residential type in the region, and not embodies the distinctive characteristics of an architectural period. NRHP Criterion C is not met by this structure

The structure is constructed by commonly know techniques, tools, and materials and is unlikely to contribute any additional information to our understanding of human history or prehistory. NRHP Criterion D is not met
