| <b>Describe Setting</b> <div style="text-align: right; margin-right: 50px;">           _____ <b>1</b> _____ <b>Acres</b><br/>           _____ <b>Archaeological</b><br/>                                                    <b>Artifacts Present</b> </div> <p>The house is located just off U.S. Route 50 near Ricky Davy Lane. It and its one extant outbuilding is currently used as apartments.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                          |                                                         |                                                                                                                                                                                                                                                      |                                                                                                                                                     |                                                                                                                                                                                                                                                      |
| <b>Description of Building or Site (Original and Present)</b> <div style="text-align: right; margin-right: 50px;">           _____ <b>2</b> _____ <b>Stories</b>    _____ <b>3</b> _____ <b>Front Bays</b> </div> <p>The two-story, three-bay, wood-frame dwelling is set on wood posts. The cross-gable roof is covered in standing seam metal and has a raking cornice with wide bracketed eaves. The dwelling is clad in horizontal wood siding with the siding in a diamond pattern in the gable areas on each elevation. The former primary entrance is positioned at the center of a three-part bay with one-over-one wood-sash windows piercing the other two sections of the bay. The entrance bay is flanked in each side by a two-over-two, wood-sash window. Three more two-over-two, wood-sash windows line the second story. A one-story, shed-roofed, porch supported by sloping Tuscan Columns wraps the façade and the east and west elevations. A single bay on the east side of the porch has been enclosed. Also what appear to have been a second story porch on the west elevation of the real ell has also been enclosed.</p> <p style="text-align: right;"><i>(Use Continuation Sheets)</i></p> |                                                          |                                                         |                                                                                                                                                                                                                                                      |                                                                                                                                                     |                                                                                                                                                                                                                                                      |

| <b>Describe All Outbuildings</b><br>Located to the west of the dwelling is an outbuilding now also used as an apartment. The one-story outbuilding is set on a raised parged foundation and has an addition on the south that doubles its size. <p style="text-align: right;"><i>(Use Continuation Sheets)</i></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                          |                                                         |                                                                                                                                                                                                                                                      |                                                                                                                                                     |                                                                                                                                                                                                                                                      |
| <b>Statement of Significance</b><br>The dwelling is not associated with significant events or persons within the broad patterns of history on the local, state, or national level and is not eligible for the National Register under Criterion A or B. The dwelling has been altered and is now used as apartments. It does not embody the distinctive characteristics of a type, period, or method of construction, nor is it the work of a known architect or builder, and is not eligible for the National Register under Criterion C. Eligibility under Criterion D was not investigated as part of this study. <p style="text-align: right;"><i>(Use Continuation Sheets)</i></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                          |                                                         |                                                                                                                                                                                                                                                      |                                                                                                                                                     |                                                                                                                                                                                                                                                      |
